## Lumi Nova

Lumi Nova is an intergalactic adventure game to support young people to fight fears and manage worries. Whilst exploring planets, customising characters and earning treasure your child breaks their fears and worries down into manageable steps, learning life-long skills and building resilience.

Lumi Nova is available to families in Newham in partnership with East London NHS Foundation Trust. It was created for 7-12 year olds (school years 3-7) who are having difficulties with fears, worries, or anxiety related to social situations, separation or phobias.

Help children/ parents access the support they need by sharing and read more [here](#)
